

Alan M. Zaslavsky
Department of Health Care Policy
Harvard Medical School
180 Longwood Ave.
Boston, MA 02115
(617) 432-2441
Fax: (617) 432-0173

Education

Massachusetts Institute of Technology, Ph.D. (Applied Mathematics – Statistics specialty), June, 1989.

Northeastern University, M.S. (Mathematics – Statistics and Computer Science specialties), June, 1984.

Harvard College, A.B. (Government), June, 1969.

Academic experience

Harvard Medical School, Department of Health Care Policy (Professor of Health Care Policy (Statistics)), 2003–.

Harvard University, Department of Statistics (Affiliated Faculty), 2006–.

Harvard Medical School, Department of Health Care Policy (Associate Professor of Statistics), 1996–2003.

Harvard University, Department of Statistics (Associate Professor), 1994–1996.

Harvard University, Department of Statistics (Assistant Professor), 1990–1994.

Harvard Medical School (Massachusetts General Hospital), Department of Anesthesia (Statistical Advisor), 1989–1996.

Harvard University, Department of Statistics (Lecturer), 1989–1990.

Harvard University, Department of Statistics (Teaching Assistant), Spring, 1989.

Massachusetts Institute of Technology, Department of Mathematics (Research and/or Teaching Assistant), 1984–1989.

University of Massachusetts at Boston, Division of Academic Support (Instructor), 1983–1984.

Northeastern University, Department of Mathematics (Teaching Assistant), 1983–1984.

Mua Hills Harambee Secondary School, Machakos, Kenya (teacher and Deputy Headmaster), 1969–1974.

Awards

Fellow, American Statistical Association (inducted 1997).

Frederick Mosteller “Statistician of the Year” Award, Boston Chapter of the American Statistical Association, 2002.

Gertrude M. Cox Award for Contributions to Statistical Practice, Washington Statistical Society, 2004.

National Associate of the National Academy of Sciences, appointed 2004.

Elected Member, International Statistical Institute, 2005.

Public Service: National Academy of Sciences and Institute of Medicine

Panel to Evaluate Alternative Census Methods, Committee on National Statistics, National Academy of Sciences, 1992–1994.

Panel on Alternative Census Methodologies, Committee on National Statistics, National Academy of Sciences, 1995–1999.

Panel on Estimates of Poverty for Small Geographical Areas, Committee on National Statistics, National Academy of Sciences, 1996–2000.

Committee on the National Quality Report on Health Care Delivery, Institute of Medicine, 1999–2001.

Panel on Research on Future Census Methods, Committee on National Statistics, National Academy of Sciences, 2001–2004.

Panel on DHHS Collection of Race and Ethnicity Data, Committee on National Statistics, National Academy of Sciences, 2002–2004.

Panel on Coverage Evaluation and Correlation Bias in the 2010 Census, Committee on National Statistics, National Academy of Sciences, 2004–.

Member, Committee on National Statistics, National Academy of Sciences, 2006–2009.

Public Service: Professional Societies

Current Index to Statistics Management Committee (Institute for Mathematical Statistics representative 1994–1998; Chairman, 1999–2004).

Council of Sections, American Statistical Association (Health Policy Statistics Section representative), 1999–2001.

Publications Management Committee, American Statistical Association, 1999–2000.

Program Chair-Elect, American Statistical Association, Social Statistics Section, 2000.

Committee on Publications, American Statistical Association, 2001–2004.

Program Chair, American Statistical Association, Social Statistics Section, 2001.
Program Committee, Joint Statistical Meetings, 2001.
Advisory Committee, Privacy and Confidentiality Web Site Project, Committee on Privacy and Confidentiality, American Statistical Association, 2002–2005.
Member Scientific Planning Committee, 2003 International Conference on Health Policy Research.
Program Chair-Elect, American Statistical Association, Health Policy Statistics Section, 2003.
Program Chair, American Statistical Association, Health Policy Statistics Section, 2004.
Program Committee, Joint Statistical Meetings, 2004.
Member, Book Series Task Force, American Statistical Association, 2004.
Member, Advisory Committee, 2005 International Conference on Health Policy Research.
Associate Managing Editor, Current Index to Statistics, 2005–2007.
Member, Committee on Privacy and Confidentiality, American Statistical Association, 2006–2008.

Public Service: Other Committees and Panels

Advisory Committee on Adjustment of Postcensal Estimates, Bureau of the Census, 1992.
Advisory Panel on Research Methodology, National Asylum Project, Harvard Law School, 1992–1993.
Advisory Working Group, Land Mines Project, sponsored by American Academy for the Advancement of Science, 1993–1994.
Expert Panel on Microsimulation Methods, Congressional Budget Office, 1993–1994.
Statistics Program Industrial Advisory Council, University of New Hampshire, 1999–2000.
Technical Expert Panel, SAMHSA-RTI Small Area Estimation Project for the National Household Survey on Drug Abuse, 1999–.
Technical Advisory Panel, National CAHPS Benchmarking Database (NCBD), 2001–.
Technical Expert Panel, CAHPS Fee-For-Service Medicare Survey, 2001–2002.
Review panel, Loan Repayment Program, National Center on Minority Health and Health Disparities, National Institutes of Health, 2002, 2005.
Special Emphasis (Grant Review) Panel, National Center for Health Statistics, August–September 2002.
Study Section for Health Services Research, Agency for Health Care Research and Quality (AHRQ), 2004–2008.

External Advisory Panel, “Evaluation of Statistical Methods for Data Collection and Analysis on Racial and Ethnic Minorities and Other Hard-to-Reach Populations,” DHHS Office of Minority Health and RAND Corporation, 2004–2005.

Federal Advisory Committee for the National Children’s Study, 2005–.

Academic Service

Standing Committee on the Degree of Doctor of Philosophy in Health Care Policy, Harvard University, 1999–. (Evaluation/Statistics Track Co-Chair and Executive Committee member, 2004–)

Member, Dana Farber/Harvard Cancer Center, 2003–.

Advisory Committee Member, Quality of Care Research Seminar Series, 2004–2005.

Harvard Medical School, Committee on Promotions, Reappointments and Appointments, 2006–.

Advisory Group for Metrics and Analysis, Harvard University, 2006–.

Editorial Service

Associate Editor, *Survey Methodology*, 1991–.

Special Section Associate Editor, *Journal of the American Statistical Association*, 1991–1993.

Associate Editor, *Lifetime Data Analysis*, 1999–.

Associate Editor, *Statistica Sinica*, 2006–.

Referee/Reviewer for *Acta Psychiatrica Scandinavica*, *Addiction*, *American Journal of Epidemiology*, *American Journal of Managed Care*, *The American Statistician*, *Annals of Statistics*, *Bayesian Analysis*, *BioMed Central Health Services Research*, *Biometrics*, *Biometrika*, *Circulation*, *Computational Statistics and Data Analysis*, *Ecological Monographs*, *Health Affairs*, *Health Care Financing Review*, *Health Economics Letters*, *Health Services and Outcomes Research*, *Health Services Research*, *Inquiry*, *International Journal of Methods in Psychiatric Research*, *International Journal for Quality in Health Care*, *Joint Commission Journal on Quality and Safety*, *Journal of Clinical Anesthesia*, *Journal of Clinical Oncology*, *Journal of Computational and Graphical Statistics*, *Journal of Health Care for the Poor and Underserved*, *Journal of Health Economics*, *Journal of Interdisciplinary History*, *Journal of Official Statistics*, *Journal of Population Research*, *Journal of Statistical Planning and Inference*, *Journal of the Royal Statistical Society*, *Journal of the American Medical Association*, *Journal of the American Statistical Association*, *Journal of Urban Health*, *Jurimetrics*, *Medical Care*, *Milbank Quarterly*, National Academy of Sciences (Institute of Medicine and Committee on National Statistics), *New England Journal of*

Medicine, Proceedings of the National Academy of Sciences, Science, Sociological Methodology, Sociological Methods and Research, Statistica Sinica, Statistical Modeling, Statistical Science, Statistics in Medicine, and Survey Methodology.
