

**Harvard Medical School  
Curriculum Vitae**

**Date Prepared:** September 18, 2009  
**Name:** Thomas Dean Sequist  
**Office Address:** BWH Division of General Medicine  
1620 Tremont Street  
Boston, MA 02120

**Education**

1995	BS	Chemical Engineering	Cornell University
1999	MD	Medicine	Harvard Medical School
2002	MPH	Clinical Effectiveness	Harvard School of Public Health

**Postdoctoral Training**

1999-2000	Intern	Medicine	Brigham and Women's Hospital
2000-2002	Resident	Medicine	Brigham and Women's Hospital
2002-2004	Research fellow	Medicine and Health Care Policy	Brigham and Women's Hospital

**Faculty Academic Appointments**

2004-2006	Instructor	Medicine	Harvard Medical School
2004-2006	Instructor	Health Care Policy	Harvard Medical School
2006-	Assistant Professor	Medicine	Harvard Medical School
2006-	Assistant Professor	Health Care Policy	Harvard Medical School

**Appointments at Hospitals/Affiliated Institutions**

2002-	Associate Physician	Brigham and Women's Hospital
2002-	Attending Physician	Harvard Vanguard Medical Associates

**Major Administrative Leadership Positions**

**Local**

1995-	Director, Four Directions Summer Research Program	Brigham and Women's Hospital
2007	Director, Improving Health Care for Native Americans Symposium	Harvard Medical School
2008-	Assistant Director, Office of Clinical Research	Harvard Vanguard Medical Associates

## Committee Service

### **Local**

2002-	Primary Care Residency Admissions Committee	Brigham and Women's Hospital
2005-	Admissions Committee	Harvard Medical School
2005-	Colorectal Cancer Advisory Committee	Harvard Risk Management Foundation
2005-2007	Clinical Content Expert Advisory Committee	Brigham and Women's Hospital
2008-	Advisory Council for Indian Health Service Physician Outreach Program	Brigham and Women's Hospital Physician's Council
2009-	Health Disparities Research Program Faculty Advisory Committee	Harvard Catalyst
2009-	Office of Minority Careers Advisory Group	Brigham and Women's Hospital
2009-	Inter-Society Multicultural Fellows Committee	Harvard Medical School

### **Regional**

2008-	Expert Panel on Race/ Ethnicity Data Reporting	Massachusetts Healthcare Quality and Cost Council
2008-	Performance Measurement Scientific Advisory Council	Blue Cross Blue Shield of Massachusetts

### **National and International**

2006	Expert Committee on Using Administrative Data and the EMR for Quality Monitoring	Agency for Healthcare Research and Quality
2007-	Racial and Ethnic Equality External Advisory Committee	Aetna
2008-	Advisory Committee on Evaluating the Chronic Care Initiative	Indian Health Service
2008-	Translational Research Subgroup, Strategic Planning Report of the Diabetes Mellitus Interagency Coordinating Committee	National Institute of Diabetes and Digestive and Kidney Diseases

## Professional Societies

2001-	American College of Physicians	Member
2002-	Society of General Internal Medicine	Member
2003-	Academy Health	Member
2003-	Massachusetts Medical Society	Member
2003-	American Medical Association	Member

## Grant Review Activities

2005	Clinical and Integrative Cardiovascular Science Study Section	National Institutes of Health Ad-Hoc Member
2006-2010	Health Care Quality and Effectiveness Research Study Section	Agency For Healthcare Research and Quality Permanent Member

### Editorial Activities

American Journal of Kidney Disease  
American Journal of Preventive Medicine  
Annals of Internal Medicine  
Circulation  
Health Services Research  
Health Affairs  
Journal of the American Medical Association  
Journal of the American Medical Informatics Association  
Medical Care  
New England Journal of Medicine

### **Other Editorial Roles**

2006-2010 Deputy Editor Journal of General Internal Medicine

### Honors and Prizes

2003-2007	National Center on Minority Health and Health Disparities Scholar	National Institutes of Health	Research
2004-2010	Minority Faculty Development Award	Brigham and Women's Hospital	Research
2006	HMS Leadership Development Program	Harvard Medical School	Leadership
2005-2006	Young Investigator in Medicine Award	Brigham and Women's Hospital	Research
2006	Milton Hamolsky Junior Faculty Award	Society of General Internal Medicine	Research
2007	Herbert W. Nickens Faculty Fellowship	Association of American Medical Colleges	Promoting minority health
2007	Milton Hamolsky Junior Faculty Award	Society of General Internal Medicine	Research
2008	Health Care Quality Scholar	UCLA/ Robert Wood Johnson Foundation	Research
2008	Brigham and Women's Hospital/ Harvard Business School Physician Leadership Program	Brigham and Women's Hospital	Leadership
2009	New England Regional Clinician Investigator of the Year	Society of General Internal Medicine	Research

## **Report of Funded and Unfunded Projects**

### **Funding Information**

#### **Past**

- 2004-2006     ***The Impact of Quality Improvement on Racial Disparities***  
Harvard Medical School Center of Excellence in Minority Health  
PI  
The goal of this study was to conduct a longitudinal analysis of the impact of a system wide diabetes quality improvement program on racial disparities in diabetes outcomes within a multispecialty group practice.
- 2004-2005     ***Outpatient Myocardial Infarction: Identify Patient and System Risk Factors***  
Harvard Risk Management Foundation  
PI  
The goals of this study were to document the prevalence of misdiagnosis of acute myocardial infarction in primary care and to validate several risk prediction tools within a multispecialty group practice.
- 2004-2007     ***Improving Safety and Quality with Outpatient Order Entry***  
Agency for Healthcare Research and Quality  
Investigator  
The goals of this study were to document the impact of electronic order entry on clinical quality for preventive and chronic care in the primary care setting.
- 2005-2007     ***Improving Surveillance for Colorectal Polyps***  
National Cancer Institute  
Investigator  
The goal of this study was to conduct a randomized controlled trial of physician reports to improve follow up colonoscopy in patients with prior high risk colon polyps.
- 2005-2006     ***Linking Patient Experiences of Care to Clinical Quality and Outcomes***  
Commonwealth Fund  
Investigator  
The goal of this study was to examine the association between patient experiences of care and clinical process and outcomes measures of quality in the primary care setting using a statewide sample.
- 2006-2008     ***Improving Follow up of Positive Fecal Occult Blood Tests***  
Harvard Risk Management Foundation  
PI  
The goal of this study was to characterize failure to follow up on positive colorectal screening exams and implement a physician outreach program to improve such follow up within a multispecialty group practice.
- 2006-2009     ***The Expanded Chronic Care Model: Targeting Disparities in Diabetes Care***  
Robert Wood Johnson Foundation  
PI

The goal of this study was to conduct a randomized trial of physician cultural competency training and race stratified performance feedback to improve diabetes care for black patients within a multispecialty group practice.

**Current**

- 2005-2010 ***Improving Systems for Colorectal Cancer Screening***  
National Cancer Institute  
Investigator  
The goal of this study was to conduct a 2x2 randomized trial of patient mailings and electronic reminders to physicians to improve rates of colorectal cancer screening within a multispecialty group practice.
- 2006-2010 ***Measuring and Improving Quality of Care for Native Americans***  
Robert Wood Johnson Foundation/ Award  
PI  
The goal of this study is to conduct a broad assessment of quality of care within the Indian Health Service using electronic medical record data, and physician and patient surveys.
- 2007-2009 ***Massachusetts E-measure Validation Study***  
Agency for Healthcare Research and Quality  
Investigator  
The goal of this study is to compare the accuracy of patient survey, administrative data, and electronic medical record in assessing quality of primary care across Massachusetts.
- 2007-2010 ***Can Risk Score Alerts Improve Office Care for Chest Pain?***  
Agency for Healthcare Research and Quality  
PI  
The goal of this study is to conduct a randomized trial to assess the impact of an electronic decision support tool designed to improve management of primary care patients presenting with chest pain.
- 2009-2010 ***Physician Personality and Clinical Practice Patterns***  
Harvard Risk Management Foundation  
PI  
The goal of this study is to determine the role of physician risk tolerance and comfort with uncertainty on clinical decisions related to the diagnosis of acute myocardial infarction, breast and colorectal cancer.
- 2009-2012 ***A Risk Based Approach to Improving Chronic Kidney Disease Management***  
Agency for Healthcare Research and Quality  
PI  
The goal of this study is to conduct a randomized trial of tailored educational mailings combined with electronic decision support to physicians designed to improve quality of care for moderately advanced chronic kidney disease.

## Current Unfunded Projects

- 2007-2009     ***Chronic Care Performance and Patient Experience***  
The goal of this study is to work with the California-based Pacific Business Group on Health to conduct a comprehensive assessment of chronic care delivery in California, including patient experiences of care and clinical outcomes.
- 2009-2010     ***Preventing Missed and Delayed Colon Cancer Diagnoses***  
The goal of this study is to conduct chart reviews across 4 institutions to determine the level of compliance with current guidelines regarding the management of rectal bleeding.
- 2009-2010     **Assessing the Chronic Care Initiative within the Indian Health Service**  
The goal of this study is to conduct qualitative interviews with the leadership of Indian Health Service clinics currently engaged in a system-wide quality improvement program to determine the barriers and facilitators to successful implementation of the program.

## Report of Local Teaching and Training

### Teaching of Students in Courses

2002-2007	<i>Critical Reading of the Medical Literature</i> 1 <sup>st</sup> / 2 <sup>nd</sup> year medical students	Harvard Medical School 2 hour session per week for 16 weeks
2007	<i>Quality of Health Care: Current Challenges and Strategies for Change</i> Masters in Public Health students	Harvard School of Public Health 2 hour session per week for 8 weeks
2007-	<i>Introduction to Health Policy</i> 1 <sup>st</sup> / 2 <sup>nd</sup> year medical students	Harvard Medical School 2 hour session per week for 16 weeks

### Formal Teaching of Residents, Clinical Fellows and Research Fellows (post-docs)

2007-	Clinical Research for Residents Primary care residents (PGY1-PGY3)	Brigham and Women's Hospital 2 hour lecture
-------	---	--

### Formal Teaching of Peers (e.g., CME and other continuing education courses)

No presentations below were sponsored by outside entities.

2006	<i>Colorectal Cancer Screening: Primary Care Challenges</i> Pri-Med, Harvard Medical School CME	Single presentation Boston
2007	<i>Measuring Surgical Disparities: Strategies and Challenges</i> Disparities in Surgical Care: Access to Outcomes, Harvard Medical School CME	Single presentation Boston
2009	<i>Improving Quality of Care for Native Americans</i> Getting to Equal, Harvard Medical School CME	Single presentation Boston

2009	<i>Chest Pain in the Office</i> Office Practice of Medicine, Harvard Medical School CME	Single presentation Boston
2009	<i>Heart Disease</i> Best Medical Practices, Harvard Medical School CME	Single presentation Boston

### Local Invited Presentations

No presentations below were sponsored by outside entities.

2005	<i>The Promise of Improving Colorectal Cancer Screening/</i> Grand Rounds Internal Medicine, Harvard Vanguard Medical Associates
2005	<i>Improving Colorectal Cancer Screening/</i> Lecture MPH Program, Harvard School of Public Health
2005	<i>Quality Improvement and Racial Disparities in Health Care/</i> Lecture Hinton Wright Lecture Series, Harvard Medical School
2005	<i>Measuring and Improving Native American Health Care/</i> Lecture Lunchtime Lecture, Harvard School of Public Health
2006	<i>Colorectal Cancer Screening: The Challenges in Primary Care/</i> Lecture Primary Care Morbidity and Mortality Series, Brigham and Women's Hospital
2006	<i>Implementing Quality Improvement: Colorectal Cancer Screening/</i> Lecture Program in Cancer Outcomes Research Training, Dana Farber Cancer Institute
2007	<i>Chest Pain in the Primary Care Office: A Risk Based Approach/</i> Lecture Center of Excellence for Patient Safety Research, Brigham and Women's Hospital
2008	<i>QI and the EMR: Identifying and Addressing Disparities in Chronic Disease Management/</i> Lecture Disparities Solution Center, Massachusetts General Hospital
2008	<i>Implementing Quality Improvement: Colorectal Cancer Screening/</i> Grand Rounds Division of Gastroenterology, Massachusetts General Hospital
2008	<i>Improving Healthcare for Native Americans: Challenges and Opportunitites/</i> Lecture Physicians Organization, Brigham and Women's Hospital
2008	<i>Creating Disparities Measures and Reporting Mechanisms/</i> Lecture Disparities Solution Center, Massachusetts General Hospital
2009	<i>Improving Care for Minority Patients with Diabetes/</i> Lecture Internal Medicine Lunch Series, Brigham and Women's Hospital

2009 *Tailored Office Based Strategies to Reduce Racial Disparities in Diabetes Care/ Lecture*  
Health Disparities Research Program, Harvard Catalyst

## **Report of Regional, National and International Invited Teaching and Presentations**

### **Invited Presentations and Courses**

No presentations below were sponsored by outside entities.

#### **Regional**

2007 *Racial Disparities: From Measurement to Intervention/ Lecture*  
Massachusetts Health Care Quality and Cost Council, Boston, MA

2007 *Performance Measurement: Improving Care for Everyone?/ Lecture*  
Blue Cross Blue Shield of Massachusetts, Boston, MA

2008 *Improving Quality of Care for Native Americans/ Lecture*  
Brown University, Providence, RI

2009 *Targeting Racial Disparities in Diabetes Care/ Grand Rounds*  
Lowell General Hospital, Lowell, MA

2009 *Improving Healthcare For Native Americans/ Lecture*  
School of Social Work, Boston University, Boston, MA

#### **National**

2005 *The Impact of an Electronic Clinical Reminder System on Quality of Care/ Lecture*  
(Abstract)  
Society of General Internal Medicine National Meeting, Chicago, IL

2005 *The Effect of Quality Improvement on Racial Disparities in Diabetes Care/ Lecture*  
(Abstract)  
Society of General Internal Medicine National Meeting, New Orleans, LA

2005 *Cardiac Procedure Use Following Acute MI Among American Indians/ Lecture (Abstract)*  
Academy Health National Meeting, Boston, MA

2005 *The Effect of Quality Improvement on Racial Disparities in Diabetes Care/ Lecture*  
(Abstract)  
Academy Health National Meeting, Boston, MA

2006 *Health Care Careers for Native Students/ Plenary*  
Pathways Into Health National Conference, Denver, CO

- 2006 *Missed Opportunities in Primary Care Management of Ischemic Heart Disease/ Lecture (Abstract)*  
Society of General Internal Medicine National Meeting, Los Angeles, CA
- 2007 *Physician Level Performance and Racial Disparities in Diabetes Care/ Lecture (Abstract)*  
Academy Health National Meeting, Orlando, FL
- 2007 *Racial Disparities in Diabetes Care: From Measurement to Intervention/ Lecture*  
Academy Health National Meeting, Orlando, FL
- 2007 *Measuring and Improving Care for Native Americans/ Lecture*  
Montana/ Wyoming Tribal Leaders Council, Billings, MT
- 2007 *Measuring and Improving Care in the Indian Health Service/ Plenary*  
Indian Health Service National Quality Measurement Conference, Sacramento, CA
- 2007 *Linking Patients' Experiences of Care to Clinical Quality/ Lecture (Abstract)*  
Society of General Internal Medicine National Meeting, Toronto
- 2007 *Physician Level Performance and Racial Disparities in Diabetes Care/ Lecture (Plenary)*  
Society of General Internal Medicine National Meeting, Toronto
- 2008 *Improving Quality of Care for All/ Plenary*  
Robert Wood Johnson Foundation New Directions National Meeting, Washington, DC
- 2008 *Being Faculty in the 21<sup>st</sup> Century/ Plenary*  
AAMC Minority Faculty Career Development Conference, Washington, DC
- 2008 *Eliminating Health Disparities: Ambulatory Strategies/ Lecture*  
Institute of Medicine Roundtable on Health Disparities, Los Angeles, CA
- 2008 *Addressing Disparities in Chronic Disease Care/ Lecture*  
Institute of Medicine/ ACP Foundation National Communication Conference, Washington, DC
- 2009 *Improving Diabetes Care In Underserved Settings/ Lecture*  
American Diabetes Association National Meeting, New Orleans, LA
- 2009 *Understanding Barriers to Quality Improvement in the IHS/ Lecture (Abstract)*  
Society of General Internal Medicine National Meeting, Miami, FL
- 2009 *Understanding Barriers to Quality Improvement in the IHS/ Lecture (Abstract)*  
Academy Health National Meeting, Chicago, IL
- 2009 *Understanding Barriers to High Quality Care in the Indian Health Service/ Lecture*  
Health Care Quality Scholars Program, UCLA, Los Angeles, CA

## International

2008 *Addressing Racial Disparities in Diabetes Care/ Lecture (Plenary)*  
NIH Research Centers in Minority Institutions International Symposium on Health Disparities/ Honolulu, HI

## Report of Clinical Activities and Innovations

### Current Licensure and Certification

2002 Massachusetts Board of Medical Registration  
2002 American Board of Internal Medicine

### Practice Activities

2002- Primary care Internal Medicine, Harvard Vanguard Medical Associates Two sessions per week

## Report of Education of Patients and Service to the Community

### Activities

1995- *Director, Four Directions Summer Research Program*  
I have served as the director of the Harvard Medical School/ Brigham and Women's Hospital Four Directions Summer Research Program since I was a 1<sup>st</sup> year medical student. This is a nationally recognized program that has brought nearly 150 Native American college students to Harvard to engage in research and receive mentorship in preparation for a career in medicine, public health, or the biomedical sciences. The program has been highlighted in the *Journal of the American Medical Association*, the *New England Journal of Medicine*, and the *Boston Globe*.

### Educational Material for Patients and the Lay Community

Those educational materials below sponsored by outside entities are so noted and the sponsor(s) is(are) identified

#### **Patient educational material**

2007	Colon Cancer Screening	Co-Author (sponsored by the National Cancer Institute)	Patient education pamphlet, HVMA
2009	Colorectal Cancer Screening	Co-Author (sponsored by National Cancer Institute)	Website to educate patients regarding colorectal cancer (internal HVMA website)
