

State	# with Serious Mental Illness in Marketplaces	# with Substance Use Disorder in Marketplaces	Total All Mental Illness and Substance Use Disorders in Marketplace	# with Mental Illness and Substance Use Disorder conditions in Medicaid Expansion	Total BH (Columns 4 + 5)
Alaska	1,296	2,754	5,136	5,389	10,525
Arizona	7,177	21,553	63,344	15,400	78,744
Maine	1,277	8,306	19,232	NA	19,232
Nevada	6,432	12,864	22,299	28,080	50,379
Ohio	13,955	29,656	69,255	151,257	220,512
Pennsylvania	12,853	51,415	99,616	80,910	180,526
Tennessee	8,124	30,466	78,807	NA	78,807
West Virginia	3,207	2,916	9,682	22,576	32,358

Table 1: People with Behavioral Health Needs in Exchanges and Expansion Population 2016

State	Drug Overdose Deaths (rate/100,000)	Rx Opioid Use per 1000 population	Buprenorphine use per 1000 population	% Share of Bupe paid by Medicaid
Alaska	122 (16.0)	566	30	34.2%
Arizona	1,274 (19.0)	693	19	14.9
Maine	269 (21.2)	705	114	37.8
Nevada	619 (20.4)	816	24	11.9
Ohio	3,310 (29.9)	828	69	49.5
Pennsylvania	3,264 (26.3)	795	75	29.2
Tennessee	1,457 (22.2)	1,161	118	10.0
West Virginia	725 (41.5)	1,049	158	44.7
U.S.	52,404 (16.3)	695	39	24.2

Table 2: Opioid related Mortality, Prescription Opioid Use and Buprenorphine based MAT 2015

Source: IMSHealth, Use of Opioid Recovery Medications Recent Evidence on State Level

Buprenorphine Use and Payment Types, September, 2016 and CDC Mortality Data  
Tabulations; Mortality rates are age adjusted

	Behavioral Health Care Service Users	Dollars
Health Insurance Marketplaces	554,488	\$981 million
Medicaid Expansion	1,286,550	\$4.5 billion

Table 3: U.S. Reductions in covered users of behavioral health care and spending covered by insurance programs
